I have read the fact sheet and application carefully. To the best of my knowledge, everything on the application is complete and correct. I understand that the funding for the **Dedication to Education Bonus** is dependent and contingent upon approval from the North Carolina Partnership for Children and availability of funds from the state of North Carolina, as approved by the N.C. General Assembly. I also understand that in order to be eligible for this bonus, the center must be in good standing DCDEE and Smart Start of New Hanover County (ex. no outstanding fees or resources).
