

Smart Start of New Hanover County

2022-2023

The early years of childhood are critical. There are only 2,000 days between the time a baby is born and when that child begins kindergarten. The experiences during that time have a lasting impact on later learning, health, and happiness.

Smart Start Services that Support High Quality Early Care and Education:

Behavior and Inclusion Support, *Smart Start of New Hanover County*

Contact: Mindy Davis / mindy.davis@newhanoverkids.org / 910-815-3731 x1010

Materials provided by the *Center on the Social and Emotional Foundations for Early Learning (CSEFEL)* are utilized within the early childhood workforce to improve outcomes for young children. The goals are to promote inclusive and supportive environments and to prevent the expulsion of children in child care.

Child Care Resource & Referral, *Smart Start of New Hanover County*

Contact: Mindy Davis / mindy.davis@newhanoverkids.org / 910-815-3731 x1010

Child Care Resource & Referral supports early educators through technical assistance and training aimed at improving and maintaining quality early learning environments, meaningful adult-child interactions, and health and safety standards. A Resource Room with educational materials and equipment for loan is available.

Curriculum & Assessment / *New Hanover County Schools*

Contact: Shannon Smiles / Shannon.smiles@nhcs.net / 910-254-4168

NHC Schools Early Childhood Department provides support to publicly-funded preschool programs, including NC Pre-K and Head Start classrooms, through the purchase and implementation of a unified curriculum, an on-line assessment system, professional development, and coaching by a trained team.

Professional Development Connections / *Smart Start of New Hanover County*

Contact: Mindy Davis / mindy.davis@newhanoverkids.org / 910-815-3731 x1010

Professional Development Connections promotes high quality early learning for young children by recognizing both early childhood sites, that maintain optimal educational standards, and early educators, who have attained educational milestones, through monetary bonuses.

How Smart Start Helps to Build a Resilient Community:

Community Outreach and Education / *Smart Start of New Hanover County*
